

Creating cute children's cakes

13th February 2016

A cute cake with cut out figures.

- The class will teach the basics of how to paint on cakes, how to prepare the fondant, how to water down the paint, which brushes to use and the process of applying the paint to the cake.
- How to lay out a design, and how to correct mistakes. Also what reference to use and how to transpose your chosen image into a painted design.
- I will be sharing lots of painting tips and techniques that will help give movement and depth to the design.
- How to create cut-out figures and how to change elements to create a more personalised design

.....

- I will be specifically teaching how to paint:
- Children's figures
- Small ditsy prints
- How to create a 3D foreground

.....

The address of the venue;

Friends Meeting House

289 High Street
BERKHAMSTED
HP4 1AJ

If you are coming by train it is a ten minute walk from the station.

Come out of the main entrance and turn right towards the town centre. At the main crossroads (Mario's is on your right and there is a flower shop on the opposite side) turn right, walk for about 5 mins. On your right you will pass a Marks and Spencers. There is a mini roundabout on the road just in front of you. The Friends Meeting house is on the opposite side of the road. There are large gates and the building is set back from the road. There should be a sign on the gates for the class. (If the wind hasn't blown it away!)

If you are driving, it is on the A4251, northwest of town centre. Go through the main crossroads, you will pass a Marks and Spencers then come to a small roundabout take the second exit, signposted Supermarket (it is a small sign) and this will lead to the car park.

If you are driving you need to park in St Johns Well Lane car park which has a long stay area in the car park.

St Johns Well Lane, Berkhamsted, Hertfordshire, United Kingdom, HP4 1H

It is £3.50 for the day and also a ten minute walk from the Friends meeting House.

There should be no problem finding a space, but do make sure you are in the long stay area.

The road leading into the car park is almost opposite the venue.

(You can park on the roads near the meeting house, but you will have to go into the residential areas as all the parking in town is restricted.)

My mobile is 07986 534746 please let me know if you are running late.

Lunch and drinks will be provided, please let me know if you have any dietary requirements.

You will need to bring your own fondant covered dummies. You need an 8" dummies, 3" high and straight edged. The design above has been covered with white fondant, but you can use any colours you wish. The cake will need to be on a 10" covered cake board.

When you roll out the fondant just use as small amount of cornflour you can get away with. Don't use trex, and if you use the matt method stick to that.

If you wish me to provide you with a covered dummy (for £15) please let me know at least two weeks before the class

Everything else will be provided for you except for an apron, please bring your own if you would like one, but it's not essential. Some previous students have mentioned that they would find a tilting turntable helpful so feel free to bring your own but it is also not essential.

There will be copies of The Painted Cake available to buy on the day at £12, cash or cheques only.
